Be a Joy-Walker, "Gets-It" for Corns

2 Drops, 2 Seconds—Corns Are Doomed!

When you almost die with your shoes on and corns make you almost walk sideways to get away from the pain, take a vacation for a minute or two and apply 2 or 3 drops

"My Corns Peel Clean Off, With 'Gets-It'!"

of the world's magic and only genuine corn-peeler, "Gets-It." Then, and then only, will you be sure that your corn will loosen from your foot so that you can peel it right off gloriously easy with your fingers. Take no chances of continued pain and soreness—why use greasy, irritating salves, plasters that shift and press into the "quick," razors and "diggers" that make corns bleed and also grow faster? Use painless, easy, always sure "Gets-It." There's only one like it in the world—that's "Gets-It." Millions have tried and O. K'd it for years. It never fails. "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

TWO MEN INJURED IN SHOOTING AFFAIR

(Duncan News)

Three young men were parties in an affair which resulted in a shooting, two receiving bullets in their hands, the third escaping injury. The three young men, Len Upton, Frank Campbell and Will Warren had trouble near Franklin on Thursday evening at about 5:30 o'clock about ten shots being exchanged, resulting in Warren and Upton being shot in the hand.

Several versions of the affair have been heard, but the facts may be presented at the hearings of the young men which will take place this morning.

The young men were placed under arrest by Deputy Sheriff Cosper and Constable Spaw. The injured men had their wounds dressed by a doctor and then taken to the branch county jail, where they were placed in cells, as Campbell had previously been done with, pending their preliminary hearings. The hearings were held before Justice J. W. Aker that night the men being granted their liberty under bond in the amount of \$500 each to appear in his court this morning at 10 o'clock County Attorney D. W. Ling will be present to handle the prosecution.

At preliminary trial held Saturday before Justice of the Peace Aker, the defendants were each fined \$104.25 for disturbing the peace.

WHY RETURNED SOLDIERS SHOULD GET THE JOBS

1. Because he is an exsoldier.
2. Because he is physically a better man.
3. Because he is a 100 per cent man and likely to prove 100 per cent efficient.
4. Because many of the men who entered the army were skilled men who were put to work at their trades in army service and have developed their skill to the highest point.
5. Because the soldier has learned to obey.
6. Because he is mentally a better man.
7. Because we must help to restore the soldier financially. Most of them have to start their industrial life practically anew.
8. Because work for our exsoldiers means peace for the country.
9. Because every exsoldier is a full sized, two-fisted, red-blooded, real American.

These are all good reasons and true. There is still another, and that is to avoid increasing the amount of unemployment. As for the soldiers' part of it, if they will accept the job they can get in civil life as simply as they did the one that was assigned to them in the army, and bring to it all the qualities mentioned above, the employer who has given them work will benefit and be glad and the soldier himself will win in a walk to whatever industrial goal is his desire.

**Summer Complaint Quickly Relieved**  
"About two years ago when suffering from a severe attack of summer complaint, I took Chamberlain's Colic and Diarrhoea Remedy and it relieved me almost instantly," writes Mrs. Henry Jewett, Clark Mills, N. Y. This is an excellent remedy for colic and diarrhoea and should be kept at hand by every family.
